PROJECTS

MINI PROJECTS

- **Temporary Conference Hall View.**

Created a 3D model of a temporary conference hall in SketchUp and enhanced the rendering using V-Ray, focusing on space use and design.

- **Modular Kitchen.**

Developed a 3D view of a modular kitchen in SketchUp and used V-Ray for realistic rendering, with a focus on modern design and functionality.

- **Seminar Hall**

Designed a 3D model of a seminar hall in SketchUp, considering seating and sound quality, and rendered it with V-Ray for a detailed finish.

MAIN PROJECTS

- **Bedroom Interior Design**

Developed a 3D model of a bedroom interior using SketchUp, focusing on creating a stylish and functional living space with modern design elements and practical layout.

[View project.](#)

- **Elevation Design**

Created a detailed 3D elevation view using SketchUp, emphasizing architectural style and design aesthetics.

[View project.](#)

- **Planning, Analysis and Designing of Shopping Complex**

Developed a commercial building of shopping mall based on all Indian Standard Codes of practice using revit. Detailing drawings pertaining to the structural design of shopping complex are presented.
